Horseback Riding:

The weekend is designed to acquaint the scouts with western style horseback riding. Each scout will ride twice, once on Saturday and once on Sunday. The barn foreman will assign all riding times. Troops who will be departing early on Sunday should inform the front desk upon making their reservation. We will try our best to accommodate these troops with earlier riding times. Saturday afternoon, scouts will gather in the barnyard for classes. Topics discussed during the class will enable scouts to earn their Horseman Ship Badge. Helmets will be provided at the stables but we do recommend that scouts bring their own helmets, as they will be a more comfortable fit. (Bicycle helmets are permitted) ****Please note: Scouts must be at least 8 years old to go out on the trail rides.**** ****Pony rides will be available for those under 8 years old.****

There is a Gift Shop where souvenirs may be purchased. There is also a snack shop where various snacks, foods, and beverages may be purchased.

There is also a game room with video games that takes quarters.
